

13th Conference of the European Union of Supported Employment **Transitions in Supported Employment**

We invite you to participate in the **13th Conference of the European Union of Supported Employment (EUSE)**, 27 – 29 May 2019 in the Beurs van Berlage, Amsterdam, The Netherlands.

The Conference is hosted by The Dutch Organisation of Supported Employment (NVS Support). It offers an unique opportunity to empower the transitions for inclusion and become inspired by employment experts and network with colleagues and peers from around Europe and the world. Over 600 professionals in Supported Employment are expected to attend from 40 different countries.

The overall theme – **Transitions in Supported Employment** – aims to empower everyone to increase the possibilities for the employment market with innovative solutions and best practices.

The conference programme lines are:

- Policy making and change of results
- Delivering quality support - what works?
- Transitions: careers and supported employment.
- A Digital Future for Supported Employment

We look forward to welcoming you in May 2019!

Astrid Haccou
Chair of the EUSE2019 Conference

CALL FOR ABSTRACTS

We would like to invite all engaged in the employment arena from NGOs, policy makers, government agencies, recipients of employment services, academics and researchers to share their knowledge, skills and expertise on a range of themes intended to promote the model and best practice in Supported Employment.

Before starting submission, you are advised to review the [abstract submission guidelines and requirements](#).
