

Employment for disabled people

Vikki Walters

Gloucestershire County Council

- 2012 5.9% in all work activity
- 2014 12.7% in Paid work (20% comparative)
- Current figure

How;

- Targeted commissioning
 - Introduction of Disability Employment Commissioning post
 - Changed what we commission
- Established a link between investment and savings
- Challenged attitudes and changed cultures
- Developed partnerships and engaged employers
- Applied a creative approach to developing provision
- Data sharing and better data collection
